25% ON GYM
MEMBERSHIPS**

SCHEME OVERVIEW

At Busy Bees Benefits we support both the physical and mental wellbeing of your employees through our range of benefits, including our employee assistance programme, health assessments and health screening services. We have now added a gym network service that helps busy HR and reward teams engage with employees on the health benefits of a more active lifestyle by offering a choice of gym discounts to suit all. We've partnered with Incorpore, the leaders in this field, who have negotiated a range of discounts from all the leading national gyms. The service is called My Gym Discounts.

My Gym Discounts is a voucher based or discount code scheme which collectively serves in excess of six million UK employees with gym memberships. My Gym Discounts offers discounts at over 3,500 gyms, health clubs, leisure centres and fitness studios, ensuring all employees are catered for no matter where they live or work.

PRODUCT FEATURES

The benefits of the Get Active service are as follows:

- ▶ Savings are available with c.3,500 national health clubs, leisure centres, yoga studios, bootcamps, budget gyms, independent clubs and more, covering the UK and Ireland
- ▶ The service can support the health and wellbeing of all employees by giving them discounts on gym memberships
- ▶ The range of gyms means that there is an option for everyone, irrespective of location, income or preference
- ▶ The service can offer savings to those who already have a gym membership, making their pay go that little bit further
- ▶ It also allows your employees' partners to access the saving too
- ▶ Reduce admin time by contracting with one company to get savings from a wide range of clubs

HOW DO GYM DISCOUNTS WORK?

The service is an employee self-paid gym membership scheme, with the employee paying the club direct and getting the savings off the membership fee. Discounts are available on a variety of contracts, meaning employees don't necessarily need to commit to a 12 month agreement. Quite simply, a voucher is downloaded from the Incore website and exchanged for a discount at the gym. In addition, there is an array of extra benefits which allow employees to make further savings on days out, activity holidays, fitness devices, golfing green fees and more.

The cost to you is an annual per head cost. We can set up the portal either in Busy Bees Benefits' name or you can have it customised with your company details for a small extra set up fee.

THE EMPLOYEE SAVINGS

My Gym Discounts provides an average saving of 15% off the monthly membership fee.

MANAGEMENT USAGE INFORMATION

If it's important for you to know how well the scheme is doing, then you need to set up a customised site for your employees. You will then be able to see the usage and ensure that your employees are making full use of the service.

PROMOTING THE SERVICE

To help you get the most out of the service we can provide you with e-marketing support to promote the service to your employees and help you drive staff engagement.

WHAT HAPPENS NEXT AND WHAT WILL IT COST?

To discuss the gym discounts service in more detail and work out what's best for your company, as well as obtaining a quote, please contact your dedicated Employee Benefits Consultant at Busy Bees Benefits on 0330 333 9100.
